## EXPERIENCE

### 08/01/23 - Present - Director of Post Acute Care Unit Webster Park Rehabilitation Center

Overseeing the care of medically complex patients admitted the Post-Acute Care Unit. Close working relationship with the leadership team and medical consultants to ensure the delivery of comprehensive, patient-centered rehabilitation services. Since my tenure at Webster Park Rehab, facility improved to 4-star rating per CMS standards.

### 06/01/23 - Present - Medical Director Royal Braintree Rehabilitation

Overseeing the daily operations of post-acute care and long term care patients ensuring compliance with regulations and standards. Working closely with a team of mid-levels to provide coordinated care for patients in the rehab setting. During my tenure at Royal Braintree, I championed an antimicrobial stewardship program.
